MEDIA ALERT

Oregon Department of Forestry Begins Daily Situation Reports

With the Regional Preparedness Level and ODF Fire Activity Level at 5, the Oregon Department of Forestry (ODF) will begin to send out Daily Situation Reports via GovDelivery in the afternoon. The reports will include information on ODF incident management teams, what fires the agency is prioritizing, district highlights, and other pertinent information.

These reports are for information sharing only and should not be re-published outside of the Oregon Department of Forestry's channels. These reports will be published daily on ODFfire.com and on ODF's Statewide Facebook page if you would like to guide people to it. The public can also sign up through GovDelivery to receive these reports.

If you have follow-up or clarifying questions, please reach out to jessica.neujahr@odf.oregon.gov.
