Former Beaverton Mayor Pleads Guilty to Possession of Child Pornography

PORTLAND, Ore.—Dennis “Denny” Doyle, the former mayor of Beaverton, Oregon, pleaded guilty today in federal court to illegally possessing child pornography.

Doyle, 73, a Beaverton resident, waived indictment and pleaded guilty to a single count of possession of child pornography.

According to court documents, between November 2014 and December 2015, Doyle knowingly and unlawfully possessed digital media containing child pornography. Several of the images Doyle possessed were of children under the age of 12 who had been identified as known sexually exploited minors by the National Center for Missing and Exploited Children (NCMEC).

On March 3, 2022, Doyle was [charged](#) by criminal information with one count of possession of child pornography.

Doyle will be sentenced on January 24, 2023, by U.S. District Court Judge Michael W. Mosman.

This case was investigated by FBI Portland’s Child Exploitation Task Force (CETF). It is being prosecuted by the U.S. Attorney’s Office for the District of Oregon.

Anyone who has information about the physical or online exploitation of children are encouraged to call the FBI at 1-800-CALL-FBI (1-800-225-5324) or submit a tip online at tips.fbi.gov.

Federal law defines child pornography as any visual depiction of sexually explicit conduct involving a minor. Child sexual abuse material depicts actual crimes being committed against children. Not only do these images and videos document victims’ exploitation and abuse, but when shared across the internet, child victims suffer re-victimization each time the image of their abuse is viewed. To learn more, please visit the NCMEC’s website at www.missingkids.org.

The FBI CETF conducts sexual exploitation investigations, many of them undercover, in coordination with federal, state and local law enforcement agencies. CETF is committed to locating and arresting those who prey on children as well as recovering and assisting victims of sex trafficking and child exploitation.

This case was brought as part of Project Safe Childhood, a nationwide initiative launched in May 2006 by the Justice Department to combat the growing epidemic of child sexual exploitation and abuse. For more information about Project Safe Childhood, please visit www.justice.gov/psc.
