

Celebrating a Century of Learning

Dear Vikings and Friends,

You are cordially invited to attend our **100-Year Celebration** on Tuesday **September 24th**, from **5:30 to 7:30 PM**, in commemoration of a century of learning at North Middle School alongside previous alumni, principals, and students.

Join us for a presentation of the North Middle School time capsule by Mayor Yemi Mobolade and student-led tours of the building - through the decades!

Food trucks will include Big Papa's Grill, Stan's Funnel Cakes, and Chick-Fil-A! Enjoy games on the lawn, music performed by the North Orchestra & Band, as well as student-made videos of alumni interviews.
